## Getting Started

### Activating Your User Account

**NEW USERS ONLY:** You will receive an email invitation to create your Company Administrator profile. Please follow the instructions provided to join and create or update your user account.

After clicking the link provided in the email invitation, you'll be prompted to fill out your user profile information and sign your electronic waiver for the Nebraska Corporate Games.

If you did not receive an email invitation, please contact the Nebraska Corporate Games at 402-471-2544 or email [info@nebraskasportscouncil.com](mailto:info@nebraskasportscouncil.com) with questions.

Please note: Birthdate is a required field in Corporate Games Manager. This will enable your event sign-up page to include all relevant age-group events (based on age) and include them in the appropriate category. **REMEMBER: Your age is based on your age the day of the event.**

With Company Administrator privileges, you can sign up for events, easily communicate with participating employees, as well as assign Sport Captains to manage participation from your company.

## Understanding Your Corporate Games Manager Dashboard

### Navigation Menu

<b>Dashboard</b>	Clicking on Dashboard/Sport Captain/Company Administrator is a shortcut that will take you to your Corporate Games Manager Dashboard. The dashboard will include news from NCG and other items pertinent to your company's participation
My Info	Update your password or other general information – including your intent to volunteer for NCG and answers to company questions
Sign Up for Events	Find a listing of all events in which you're eligible to participate, and indicate your interest in participating
<b><i>Sport Captain</i></b>	Clicking on Dashboard/Sport Captain/Company Administrator is a shortcut that will take you to your Corporate Games Manager Dashboard. If you are assigned as the Sport Captain for a particular event, you will be tasked with managing participation and publishing rosters
<i>Manage Rosters</i>	Manage event rosters by reviewing people that have expressed interest in an event, confirming their participation and assigning teams
<b>Company Administrator</b>	Clicking on Dashboard/Sport Captain/Company Administrator is a shortcut that will take you to your Corporate Games Manager Dashboard
Event Participation	Indicate in which deadline-bound events your company will be participating. Includes Sport Captain functions for applicable events. Quickly view participant lists in all events
Manage Organization	Update your company's information at any time, and create questions specific to your company that appear on each participant's profile page. Your company code is also available here.
Manage Captains	Assign Sport Captains to help manage participation and rosters for individual events
<i>Volunteer</i>	Select Volunteer Event preferences, view Volunteer Assignments, and assign employees to volunteer tasks. <i>Only visible for companies that have chosen to participate in volunteer opportunities.</i>
Manage Employees	Invite people at your company to participate in the Games by triggering an email invite to join. If users come to the site directly and create a user account, they will need a company code to join your company. Manage employee information and events
Manage News	Post announcements everyone at your company can see (deadlines, company-specific events, great news about people/teams who perform well, etc.). Publish, unpublish, and make edits as necessary
Reports	Access information about your company's participants

*Sport Captain options are only visible to employees that have been assigned Sport Captain privileges*

*Volunteer options are only visible for companies that have chosen to participate in volunteer opportunities*

## Company Administrator Functions

### How to Indicate Team Event Participation

1. From your Dashboard, select Event Participation from the left-hand navigation menu
2. Indicate whether or not your company will be participating in a given event by selecting YES or NO. Based on your response, a green checkmark or red – symbol will appear.
  - a. Changes can be made up until the company deadline shown with each event.
  - b. NOTE: It is extremely important to double-check the Teams column for events that allow multiple teams. Companies will be scheduled for the number of teams listed in this column. [See How to Add Participants to an Event Roster with Multiple Teams](#) for how to set the number of teams.
3. Clicking on the event name allows Sport Captain-level access for Company Administrators to each sport. See [How to Add Participants to an Event Roster](#) for more information on using this feature.
4. TIP: While no action is required for unlimited and individual events, you can quickly view interested participants for all events. Use the “Team Events” and “Individual Events” buttons to toggle between event types.

### EVENT PARTICIPATION

The screenshot displays the 'EVENT PARTICIPATION' interface. On the left is a navigation sidebar with options: Dashboard, My Info, Sign Up For Events, Company Administrator, **Event Participation**, Manage Organization, Manage Captains, Manage Employees, Manage News, and Reports. The main content area has two tabs: 'Team Events' (selected) and 'Individual Events'. Below the tabs is a search bar and a 'Show 10 entries' dropdown. A table lists events with columns for Event, Deadline, Slots, Teams, Interested, and Participating. Each row has a 'Set to No' or 'Set to Yes' button.

Event	Deadline	Slots	Teams	Interested	Participating	
Bags Tournament	Jan 1 @ 12:00AM	4	2	1	✓	Set to No
Basketball   3 on 3   Men's Team	Jan 1 @ 12:00AM	12	0	0	–	Set to Yes
Basketball   3 on 3   Women's Team	Jan 1 @ 12:00AM	12	-	0	pending	Yes No

### How to Assign Sport Captains

1. From your Dashboard, select Manage Captains from the left-hand navigation menu.
2. Click + New Captain button.
3. Select user from the dropdown list of employees (the user must already be registered with a user account on Corporate Games Manager)
4. Under Add Events, click the + button to bring up a dropdown menu of available events. Select the event. To add additional events to the same Sport Captain, click the + button again and repeat.
5. When you're finished making changes, click the Save button. The employee will receive an email alert indicating the Sport Captain assignment.

## How to Assign More Events to Sport Captains

1. From your Dashboard, select Manage Captains from the left-hand navigation menu.
2. Find the employee name and click Edit to make changes.
3. Select which events you'd like to assign to the Sport Captain (see the previous section for steps on how to select events).
4. When finished, click save.
5. The employee will receive an email with an alert that they have been added as a Sport Captain.

*Note: Some events have been grouped together in categories to allow easier assigning to Sport Captains. These events typically have multiple age groups that would otherwise require multiple steps to assign to one Sport Captain. See [How to Add Participants to an Event Roster](#) for managing categories as a Sport Captain.*

## How to Ask Employees Questions

This option allows you to gather information specific to your company. For example, if you are ordering company t-shirts and need to know shirt sizes, this is the place to do so.

1. From your Dashboard, select Manage Organization from the left-hand navigation menu.
2. Scroll down to the Questions section

### How to Manage Employees

1. From your Dashboard, select Manage Employees from the left-hand navigation menu.
2. Type the email address in the Emails field of any employee you'd like to invite to participate. You can include multiple email addresses by separating each with a comma. Limit 10 email address per invite.
3. When finished, click Invite. Employees will receive a notification email prompting them to create a user account on the website and agree to the waiver.
  - a. Please Note:
    - i. When invited employee's user accounts is activated (i.e. the employee clicks on a link from their notification email, completes their profile on the website and signs their waiver), the employee's first and last name will appear on the list. Until they activate the user account, the name field will remain blank.
    - ii. If an employee goes directly to the NCG website to register for a user account, they will need the company code to join your company. This code will be provided to you and appear under the Manage Organization link.

## How to Edit Employee Information

*NOTE: All actions in the Manage Employees menu can be accomplished by the individual employees from their personal dashboard. We recommend the Manage Employees menu actions only for Company Administrators with employees who do not have regular computer access.*

1. From your Dashboard, select Manage Employees from the left-hand navigation menu.
2. You can use the Edit feature to modify the employee's personal information, change a password (NOTE: Employees are able to reset their own password from login screen as well), and change an employee's volunteer preference.
3. Remove will remove an employee from your company. It will NOT remove their account from the system. They will no longer be attached to your company and unable to declare interest for events.
4. The Events button shows a list of all events the individual employee has declared interest for. You can add events using the + Add Event button or remove events using the Remove button from this screen. Only events that the employee is eligible for will appear when adding events.

## How to Add Participants to an Event Roster

1. There are multiple ways to add participants to an event roster:
  - a. Unlimited events automatically confirm participation to the employee and require no action from a Sport Captain or Company Administrator.

## Your Events

Event	Event Dates	Entered	Date Added	Team	
Fitness Walk   Des Moines	Jun 3	✓	03/23/2018	n/a	<a href="#">Remove</a>
Yoga	Jun 9	✓	03/23/2018	n/a	<a href="#">Remove</a>

- b. For limited participation events, participants can be added to a roster by a designated Sport Captain or a Company Administrator. Adding an employee to a roster will send an email to the employee alerting them to being added to the event roster. Removing an employee from a roster will also result in an email alert being sent to the employee.
- c. **SPORT CAPTAIN:** From your Dashboard, click on Manage Rosters. A list of the Sport Captain's events will appear. **COMPANY ADMINISTRATOR:** From your Dashboard, click on Event Participation.

## MANAGE ROSTERS

Some events you signed up for have questions. Please answer the questions below.

**Burst Your Thirst**

Would you like to serve as a Burst Your Thirst Team Captain?

**Disc Golf | Women's Team**

Would you like to be a Sport Captain for Disc Golf?

- If a participant would like to remove themselves from an event, they can do so on the Dashboard under Your Events by clicking Remove next to the selected event.
  - NOTE: If the participant has expressed interest in a limited roster event, once selected for the roster the participant will no longer be able to remove themselves. Only a company administrator can do so. This is to avoid unexpected no-shows at events.

### How Participants Will Know When They've been Included on the Event Roster

- From their Dashboard, they'll find a listing of all events in which they've expressed interest in the Your Events area.
- In the Entered column, they'll see an indicator on whether or not they've been included in the event roster:
  - “Pending” until action from the Sport Captain or Company Administrator
  - Green checkmark if selected for event participation (i.e. included on the event roster)
  - Red “X” if not selected for event participation (i.e. not included on the event roster)
